

## ARCANA BARIATRIC CHAIR

Introducing the Arcana Bariatric Chair – a specially designed chair built for the Health and Aged Care sectors. With a weight capacity of 350kgs and extra seat width, it is a robust and stronger version of the original chair. Perfect for extra support and durability, the Arcana is made with high-quality materials and meets all industry specifications, ensuring it will withstand the rigors of a busy healthcare setting, making it an essential investment for any medical facility.

Ideal for both informal and formal reception, visitor, waiting and breakout areas, the Arcana brings a warm and welcoming atmosphere, and crafted to bring you all around comfort. A valuable and reliable asset that will serve you well for years to come.
