WINGARA STOOL

The WINGARA Stool was created at the intersection of sustainable innovation and cultural storytelling. Wingara, meaning 'to sit' in Wiradjuri, is reminiscent of the U shape of the stool, representing the Indigenous symbol of people. This range was created alongside a circular table, representing a meeting place where people gather, learn, share and nurture. When the ‘people’ and the ‘place’ are gathered, the collaboration brings engagement and a shared connection we can not achieve when by ourselves.

Made entirely out of 100% recycled HDPE in collaboration with Defy Design, WINGARA is the embodiment of Winya's ethos.
