WINGARA TABLE

The WINGARA Range was created at the intersection of sustainable innovation and cultural storytelling. Wingara, means 'to sit' in Wiradjuri, reminiscing of the circular table, representing a meeting place where people gather, learn, share and nurture. The range comes with a matching 'u' shape stool, symbolising a person sitting. When the ‘people’ and the ‘place’ are gathered, the collaboration brings engagement and a shared connection we can not achieve when by ourselves.

Made entirely out of 100% recycled HDPE in collaboration with Defy Design, WINGARA is the embodiment of Winya's ethos.
